## Believe Miners Will Leave Pits Next Week

### Benefit Fund Stoppage Is Cause

Pittsburgh, Sept. 17.—(AP) The crisis in American industry today suddenly switched from basic metal to basic fuel with a nationwide walkout in the coal fields next week a virtual certainty.

Most of the nation's 480,000 miners appeared ready to quit the pits due to suspension of pension and other benefit payments. Work stoppages already are under way in the west. Some United Mine Workers locals in the east and mid-west voted against reporting for work Monday.

No-work sentiment spread rapidly over the far flung coal fields—both bituminous and anthracite—and one UMW official who flatly refused to be named declared:

"There'll be darned few miners in the pits Monday."

Lewis Silent  
There was no word on this from UMW chief John L. Lewis. UMW leaders said officially only that they were handing down to the diggers Lewis' telegram suspending payments under UMW's controversial welfare fund.

Meanwhile, Philip Murray, president of the CIO United Steelworkers, came up with a new statement reiterating his position the steel industry is "trying to force a strike upon the nation." The statement came as the government planned to intervene in the bitter dispute and stave off a strike of nearly a million steelworkers on September 25.

Management and union will sit down with mediation officials in Washington Monday to discuss the pension and insurance war which has snagged contract negotiations. This brightened at least for the moment hopes for a peaceful settlement.

Union Wants Acceptance  
The union has insisted on industry's acceptance of a presidential board's insurance-pension recommendations before resumption of bargaining. Industry objects to financing the benefit programs and wants to negotiate without committing itself. The presidential strike truce expires September 25.

The union accepted the mediation service invite and steel is expected to be on hand also. Inland steel in Chicago said it will attend but "the only issue we will discuss is how to return the steel dispute to bargaining at company levels."

"Official records filed by these same steel companies with the securities and exchange commission," Murray said in his statements, "show that the insurance-pension matter becomes one of principle only where the steelworker is concerned, because officials of the steel industry will receive very substantial pensions entirely paid for by industry."

Two Pilots Killed As Planes Collide Head-On In Texas  
Dallas, Sept. 17.—(AP)—Two military planes collided head-on in the air west of Dallas today, killing one man in each ship.

One plane was a two-engine navy PMB torpedo bomber, the other a single-engine F-51 national guard plane.

The navy plane and another similar craft had been flying in formation before the crash.

The F-51 crashed, exploded and burned. The pilot's body still was in the plane.

The man killed in the navy plane crash evidently had tried to parachute. His body was found partly out of the craft, the parachute opened.

Names of the victims were withheld pending notification of kin.

Edison's Grandson Loses Life In Fall On Alpine Glacier  
Vienna, Austria, Sunday, Sept. 18.—(AP)—Michael Edison Sloane, 18-year-old grandson of inventor Thomas A. Edison, lost a gallant fight for his life on a wind-swept alpine glacier in southern Austria last week.

Police said the youth survived an 80-foot fall into a crevice on Grossglockner, Austria's highest peak, only to die later of exposure. The cause of his death was officially listed as freezing and loss of blood.

Sloane was reported missing last Sunday after he disappeared from a tourist party on a mountain. He was found by a search party on the 12,600-foot mountain. An Austrian search party found his body yesterday at the foot of Passerby glacier in the British occupation zone.

## Says Yugos Aided Red Propagandists In U.S.

Washington, Sept. 17.—(AP)—Testimony that "official representatives" of Yugoslavia have directly aided communist propaganda activity here was made public tonight by a senate judiciary subcommittee.

The witness was Dr. Slobodan M. Draskovich, a refugee from Tito's communist regime in Yugoslavia. Now living in New York City, he formerly was an economics professor at the University of Belgrade.

The committee, holding hearings on a bill to raise new barriers against the entry of subversive aliens, took his testimony this month behind closed doors.

Secretary of State Acheson's opposition to the proposed legislation

was disclosed yesterday. He said it would seriously interfere with the conduct of foreign affairs and might force a break in diplomatic relations with communist-dominated nations.

A committee questioner observed to the witness that a draskovich report given the committee contained information "concerning involvement" of the Yugoslav embassy staff and the Yugoslav delegations to the United Nations in communist activities.

In New York, Dr. Joza Vilfan, Yugoslav delegate to the United Nations, described as "utter nonsense" the testimony that the Yugoslav delegation to the U.S. is involved in communist activities.

Dr. Vilfan said that Dr. Draskovich was a "known partisan" of Gen. Draja Mihailovic, who was accused by the Tito regime of collaborating with the Germans. The general was executed for treason.

Dr. Draskovich said that Major Branko Vukelic, whom he described as at one time connected with the Yugoslav embassy in the United States, "was certainly one of the most active propagandists among the Yugoslav officials coming to the United States."

Washington, Sept. 17.—(AP)—Twelve determined western nations shouldered their mutual military responsibilities today under the Atlantic pact. Reports of mounting Russian armed might painted in a somber background for their decisions.

The foreign ministers of the Atlantic alliance countries, meeting for the first time as a council, ordered immediate steps taken to draft "unified defense plans" for the entire North Atlantic area.

The United States was assigned a central and dominant role.

Even while the ministers were meeting, two committees of the United States Senate reported formally that Russia has more than 5,000,000 men under arms and appears to be carrying out a "deliberate" policy of adding to its military strength.

The foreign relations and armed services committees of the Senate, which have been meeting jointly on the administration's proposed \$1,314,000,000 foreign arms aid bill, gave that appraisal of Soviet power in recommending passage of the measure.

Both the treaty and the arms bill were part of the strategy to discourage any Russian aggressive ambitions.

Man Saved By Wife After Walls Of Hole Fall On Him  
Eau Claire, Wis., Sept. 17.—(AP)—Ray Tafel, 36, only had time for a frantic cry before the collapsing sand walls of a nine-foot hole he was digging buried him today. That outcry—and his wife—saved his life.

Tafel's wife, Effie, 36, phoned police and then rushed to the hole and began clawing through the sand. A foot from the surface she reached her husband's head. Effie kept her hand over her husband's face and the eight Tafel children kept a fearful vigil at the hole until police and firemen arrived. Tafel was freed 30 minutes after the cave-in.

Even though the men who dug him out arrived quickly, police said Tafel would have suffocated but for his wife's action. Her hand, they said, kept the sand out of Tafel's nose and mouth and enough air filtered down along her arm to keep him breathing.

Tafel, a railroad brakeman, was shaky but unhurt. Police had to argue him into being hospitalized for a check. He was digging the hole down to his sewer line.

RICHARD DIX VERY ILL  
Hollywood, Sept. 17.—(AP)—Richard Dix, 54, former film star, remains in grave condition, his physician said today. Dix suffered a heart attack Aug. 10 and probably will be hospitalized several weeks.

THEATER OWNER DIES  
Sterling, Ill., Sept. 17.—(AP)—Franklin J. Ford, 52, co-owner of a three-theater chain here and in Rock Falls, died today.

GOP Awaits Jenner's Lead On Nomination Of Minton  
Washington, Sept. 17.—(AP)—Key Republicans hadn't made up their minds today whether to fight President Truman's appointment of Judge Sherman Minton to the supreme court.

Senator Wherry of Nebraska, the GOP floor leader, told a reporter it will be up to Senator Jenner (R-Ind.) to signal whether party members will pitch in to oppose a former Indiana senator who took a leading part in President Roosevelt's ill-starred effort to revamp the supreme court in 1937.

Jenner told a reporter he hasn't decided whether he will fight Minton, who served as senator from 1933 until 1940 when he was defeated for reelection.

Wherry said that since Jenner is a member of judiciary committee,

## State's Attorneys Vote To Set Up School For Boys

East St. Louis, Ill., Sept. 17.—(AP)—State's attorneys of Illinois acted today to provide a better deal for dependent youngsters and youthful first offenders.

The county prosecutors voted at the concluding session of the annual meeting of the Illinois State Attorneys association here to sponsor a school for boys to be operated by a private, non-political organization.

The association will provide funds for the school, which hopes eventually to have units in each of the seven Illinois judicial districts. In turn, Illinois state's attorneys will have the privilege of assigning youthful offenders to the school in an effort to rehabilitate them.

The school will be operated by the Trail Rangers of America, Inc., which already has some buildings completed and others under construction between Grafton and Pierre-Marquette State park north of Alton.

Solons Hurry Back From Vacation But No One Knows Why  
Washington, Sept. 17.—(AP)—Mystified House Democrats prodded by hurry-back telegrams from their leaders prepared today for possible legislative surprises or trouble when they return Wednesday after a month's vacation.

The Republicans didn't know what was up either. They were taking no chances. They'll get out matching wires to their members, too, telling them to be on time.

Ordinarily the high command doesn't rally the Democratic clans by telegram unless something big is on tap.

Yet nobody seemed to have any idea what it might be. Some thought it didn't mean a thing but a way to make sure enough members showed up to do business.

The House has the job of cleaning up financial business that piled up during the layoff. There's an October 1 deadline on that.

Oxygen Hose Saves Man Buried Under Big Pile Of Sand  
Chicago, Sept. 17.—(AP)—Rescue workers using shovels and an oxygen hose today rescued a 29-year-old construction worker from burial in a shifting pile of sand.

Clifton Smith, negro, was submerged for an hour in the sand pile. The oxygen hose provided him with sufficient air to breathe. While firemen and police shoveled frantically to release him.

Smith was working on top of the pile, shoveling sand into a concrete mixer at 1908 N. Franklin street, when he began to sink into the treacherous mound. An unidentified fellow worker threw a perforated metal drum over Smith's head just before it disappeared into the sand.

The drum kept the sand from smothering Smith, and firemen pushed the oxygen hose to him in time to save him.

Official at Martha Washington hospital said Smith's condition is "good."

Injunction Keeps MoPac Strikers Off Cotton Belt  
Belleville, Ill., Sept. 17.—(AP)—The St. Louis Southwestern (Cotton Belt) railway today obtained a temporary injunction in federal court to restrain Missouri Pacific strike pickets from interfering with Cotton Belt trains.

Circuit Judge Ralph L. Maxwell, who issued the order, gave the four striking brotherhoods and their officials until Oct. 17 to file answers.

Cotton Belt trains, which operate over M. P. tracks in southwestern Illinois, were twice halted within the last week by pickets. Union leaders termed the action against the Cotton Belt a "regrettable mistake."

About 5,000 members of the four operating brotherhoods went on strike against the Missouri Pacific Sept. 9.

THEATER OWNER DIES  
Sterling, Ill., Sept. 17.—(AP)—Franklin J. Ford, 52, co-owner of a three-theater chain here and in Rock Falls, died today.

Arraign Man For Trying To Force \$70 From Neighbor  
Decatur, Ill., Sept. 17.—(AP)—A 38-year-old farmer was arraigned today on charges he tied a rope around his elderly neighbor's neck, dragged him to a barn and threatened to drown him in a dispute over \$70.

Harold Mansfield, of near here, pleaded innocent to the charges in Circuit Court and was released on \$1,500 bond.

A four-count indictment returned last night by the Macon county grand jury charged Mansfield kidnaped Walter Brewer, 68; "threatened violence for the purpose of obtaining a confession of a crime;" forcibly imprisoned Brewer; and "forcibly seized and confined him by tying a rope around his neck."

Police said Brewer went to the Mansfield home to ask about a farm job and that when Mansfield came home he found \$70 missing. They stated the Mansfield family accused Brewer of taking the money and that when he denied it a fight between him and Mansfield followed.

The indictment charges Mansfield tied a rope around Brewer's neck, threatened to drown him, tied the other end of the rope to a saddle horn and, mounting a horse, dragged Brewer to a barn.

DIES OF POLIO  
Decatur, Ill., Sept. 17.—(AP)—Betty Darlene Pritts, six, died last night of polio. The child, who entered Decatur City public hospital Thursday,

was the daughter of Mrs. Doris Pritts of Bethany. Her death was estimated at nearly 1,000,000 in the fourth polio fatality in Decatur this year.

FRUIT PLANT BURNS  
Cashmere, Wash., Sept. 17.—(AP)—A fast-spreading fire destroyed the huge plant of the Cashmere Fruit Growers Union here today, with loss estimated at nearly 1,000,000 in buildings, equipment and fruit.

## Two Tell Of Yugo Plot Of Night Of Terror In Hungarian Trial

Budapest, Hungary, Sept. 17.—(AP)—Palfy made public confessions before the court, speaking with which Hungarian and Yugoslav same Alacritty Rajk displayed yesterday. Brankov pleaded "partly guilty," Palfy said "guilty."

The paunchy general, 40, testified he had maneuvered Hungarian army affairs in an effort to support the plot. He said he hoped the revolt would lead to creation of a "western type capitalist democracy."

Supporting the government's charge that Britain and the United States were involved, Brankov said all the secret information obtained by Yugoslavia's Hungarian agents here and leading Yugoslavs also exchanged information with their British counterparts.

Both he and the general said Alexander Rankovic, interior minister and police chief of Premier Marshal Tito's Yugoslav government, was the brains behind the plans for assassination of key communist and a revolution as part of

a move to pull the Balkans from the Soviet sphere.

Brankov charged that Allen W. Dulles, wartime head of the Office of strategic services (OSS) in Europe during World War II, was linked with the purported plot. He said Winston Churchill, Britain's wartime prime minister, sought early in the war to promote Anglo-American influence in Yugoslavia and Hungary through spying.

Last Saturday Dulles said refused to him in the indictment against the men was "a fairy story as far as I'm concerned."

Palfy, former commander of Hungary's army as chief inspector, told the court he functioned in that office as "chief of spies." He said he and his co-defendants planned to kill Hungary's top communist officials and seize the country with Yugoslav help "by the end of May at the latest." But the plan failed with the arrest of Rajk, communist foreign minister who was once Hungary's police boss, May 30.

Right, Left Wing Factions Renew Battle Over UEW  
Cleveland, Sept. 17.—(AP)—Right and left wing factions will renew their battle for control of the United Electrical Workers Union here next week. The result may determine whether the UEW remains in the CIO or is shoved out.

The 600,000-member UEW will open its annual convention Monday. Possession of the union's top offices again will be at stake, continuing a tug of war which has been going on for years. The present leadership is the target of a right wing campaign based on the slogan "clean out the leftists."

In just seven weeks the congress of industrial organizations will open its national convention here. One of its major items of business will be the problem of dealing with left wing unions which oppose national CIO policies. President Philip Murray and the CIO executive board warned last May the convention would act to relieve this situation. The UEW has been one of the 11 unions in the left-wing group.

Polish Brother, Sister Reunited After 10 Years  
Mansfield, Eng., Sept. 17.—(AP)—Anna Ertimov, a 21-year-old Polish girl, was chatting with her partner at a local dance.

The conversation was typical—on the quality of the music and the size of the crowd.

Then Anna found her partner was a pole.

"I too, am a Pole," said Anna. "Before the war I used to live at Glebokie Wina, Jozna."

Her partner stopped short on the floor.

"So did I," he said. "And that means I'm your brother, George."

They had not seen each other since George joined the Polish army 16 years ago.

For the past two years they had lived in Mansfield—only a block apart.

Says She Paid Man \$28,000 Because He Threatened Her  
Le Mars, Iowa, Sept. 17.—(AP)—A well-to-do widow asserted today that she was "swindled out of \$28,000" over a period of more than a year by a man she said used "imitation diamonds and hints of underworld reprisals."

The widow, Mrs. Clara Mieras, 60, who operates an extensive real estate and insurance business, told this story in a telephone interview.

In 1947 she loaned the man \$5,000 and he later repaid her in diamonds. "But the next thing I knew," she said, "he had informed me that the diamonds were 'hot' and that I was implicated because I had possession of them."

She said the man told her his primary interest was in protecting her and that she advanced him more and more money for various purposes in connection with the "gems."

When she had the stones appraised, they were zircons and practically valueless.

FRUIT PLANT BURNS  
Cashmere, Wash., Sept. 17.—(AP)—A fast-spreading fire destroyed the huge plant of the Cashmere Fruit Growers Union here today, with loss estimated at nearly 1,000,000 in buildings, equipment and fruit.

Search Planes Look For 2 Italians On Ocean Flight  
New York, Sept. 17.—(AP)—A small, single-engine plane is missing to 10 a. m. today, under normal flying conditions.

The intensive aerial search began early today, some 10 hours after the missing fliers made their last radio report to the Civil Aeronautics administration control tower here.

At that time, the Italian airmen were flying over the Atlantic near the Azores at 4:13 a. m. (CST) yesterday. They hoped to land at New York City's La Guardia field—2,000 miles away—at dawn today.

The non-stop flight was planned to promote American support for a "Boys Town" in Italy.

## Most Of Passengers Americans

Toronto, Ont., Sept. 17.—(AP)—"Burned beyond recognition"—that was the flitting phrase tagged tonight on scores of bodies charred by a flash fire that swept the once gay Canadian cruise ship Noronic.

Authorities believe nearly 200 holiday-making passengers—mostly Americans—perished in the dockside disaster here early this morning.

Dominion and city authorities began investigations into the blaze which turned the Great Lakes pleasure steamer into a nightmare inferno.

More than 400 other passengers and crewmen fought and scrambled to safety through flames that turned the 36-year-old Noronic into a blackened, sunken hulk at her dock here.

Try To Identify Bodies  
Many of the grief-stricken survivors walked down lines of charred bodies tonight, vainly trying to identify friends who were trapped by the flames that made the ship a blazing torch in 15 minutes.

Police said exact figures on casualties wouldn't be known until parts of the steamer, submerged when the charred hulk settled to the bottom of her 28-foot-deep dock slip, are searched for additional victims.

City officials proposed mass burials for many of the victims, burned so badly they probably never can be identified.

As the Canadian department of transport ordered an immediate investigation, Canada steamship lines President K. R. Marshall said he had determined "beyond any reasonable doubt" that there was no negligence on the part of the crew.

He said the blaze, perhaps started by a lighted cigarette in an empty cabin, was out of control before ship's officers discovered it.

Mayor Hiram McCallum estimated the death toll at "close to 200." But an exact count was unlikely for days. Many of the survivors scattered after the tragedy. Some of the victims were believed trapped in the twisted ship that sank onto the harbor bottom in 28 feet of water.

190 Bodies Recovered  
At mid-afternoon police said 190 bodies had been recovered, but only 117 had been gathered in an emergency morgue tonight and authorities withdrew the earlier estimate.

The Canadian press—from uncorroborated reports by police, the Red Cross and hospitals—estimated that about 90 besides the 117 known dead were unaccounted for.

Canada steam ship lines, owner of the 6,005-ton cruise ship, said 511 passengers boarded the ship at Detroit, and Cleveland. Steamship officials said all the dead were passengers.

The 170 crewmen all got to safety after fighting the flames that apparently started near the ship's cocktail bar just before the first alarm was sounded at 2:30 a. m.

Within 15 minutes after the first alarm, flames had swept the entire ship. Survivors told of panic-stricken struggles in smoke-filled corridors and around lifelines dropped to the dock.

Ben Kosman of Cleveland, who died to safety, told of seeing ship attendants trying to stem the roaring flames with hand extinguishers.

"They might have been trying to put out hell with the fountain pens," he said brokenly.

Whole families, vacationing on the Noronic's last cruise of the season, were wiped out. Firemen who finally got aboard the fire-twisted steel hull five hours after the fire began told of finding charred groups with their arms about each other.

Many were trapped in their cabins.

"Some of those people were partying and after they had gone to bed I'm afraid many of them wouldn't smell the smoke or hear any shouts of 'Fire,'" declared Sam Graham, a crewman.

Report Fighting On Pingtan Island  
Canton, China, Sept. 17.—(AP)—A full-scale battle was reported raging today for the island of Pingtan, just off the mainland near communist-held Fochow.

Nationalist accounts conceded the communists had made a successful landing, but said scores of Nationalist planes were helping the defense.

The island is one of the Nationalist's blockade bases.

Otherwise, the Chinese civil war was relatively quiet.

WEATHER  
The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High 7; low 54; and at 6 p. m., 72.

Forecast for Illinois: Mostly cloudy today with showers. High 69 to 72.

AFTERMATH OF TITO LOAN  
OFFERS INTERESTING SPECULATION

America's \$20,000,000 loan to Yugoslavia is the most positive stroke this country has yet made to bolster Marshal Tito in his unequal struggle with Soviet Russia.

The loan is admittedly designed to stiffen Tito's resistance to mounting Russian pressure. But it has its horse-trading features, too.

We are extending Tito credits to permit purchase of materials and equipment needed to restore Yugoslavia's deteriorated, war-damaged mining industry. In return, the United States will presumably be able to buy bauxite (the raw material of aluminum), mercury, copper, lead and zinc, all items high on the list of critical materials being stockpiled here.

This seems to answer with a strong "yes" the question whether we can "do business" with Tito. Particularly as it comes on top of a recent authorization that will allow Yugoslavia to purchase a \$3,000,000 steel mill in this country.

But it is the diplomatic aspect of the loan that commands greatest interest. We are toughening Tito up at the very moment when Russia and her loyal European satellites are tightening the economic vise on the errant Yugoslavs—trying to crush the life out of their industry and commerce.

No one can say, of course, whether assistance of this limited nature will enable Tito to resist the squeeze successfully. If it becomes apparent that it will not, we will face the question of what to do next.

More and bigger loans to Yugoslavia? Closer political ties?

The answers touch deep issues. Tito is, after all, devoted unashamedly to the same sort of totalitarian principles of government that we consider so harmful as practiced by the Soviet Union.

It would be hard to justify drawing Tito into the West's political orbit when we and the other western nations refuse to have anything to do with Franco Spain, a totalitarian regime which at least is opposed ideologically to communism. Particularly when there is probably more strategic value—from the military standpoint—in a link with Spain.

There seems to be little hope of fumigating either Franco or Tito to make them fit company for the democracies. But if we can believe the more careful congressmen who toured Europe in 1947, Tito is the greater devil. For these observers said that his and other Communist regimes were definitely more repressive than the type found in Spain and Portugal.

Most likely the American people would not stomach any close relationship with Tito unless they found themselves on the edge of war with Russia and could see him as a stubborn roadblock in the path of a Soviet sweep across Europe.

If that time ever came, Americans might decide Winston Churchill was right. Churchill said during World War II that he would "pact with the devil" to save his country. Not a very idealistic notion, but very practical.

## Champion Quartet To Sing In City Sept. 25 Dirksen To Announce For U.S. Senate Today

The Mid-State Four of Chicago, one of the country's top flight male quartets, will appear on a program Sunday afternoon, Sept. 25, at the Illinois School for the Deaf auditorium. The Mid-State Four won the national and international championship of the SPEBSQSA in 1949. Seven other talented quartets featuring barber shop harmony will appear on the program at I.S.D. beginning at 2 p. m. Sept. 25. The event is sponsored by the Jacksonville Chapter of SPEBSQSA.

## "We Are Grateful For Packages", Say Pupils

"The packages you prepared at the past year's Red Cross Center for Poland, Miss Marguerita Schoedsack has just been appointed chairman of the Morgan County Red Cross Junior Red Cross Committee by R. J. Kaufmann, Chapter Chairman. She is taking the place of Miss John T. Taylor who recently resigned but will remain an active member of Miss Schoedsack's committee.

The Lafayette grade school of this city has received a similar letter from a Polish child. "Many thanks for the gifts we received safely through the Polish Red Cross," it said.

Washington school has received a communication from Poland saying: "I thank you heartily for the package I received at St. Michael school. We had a small play with singing and dancing, then the packages were distributed. There was great joy."

Schools Damaged, Destroyed—One of the letters of appreciation for the gifts sent by the Morgan County Junior Red Cross to Poland stated that schools were badly damaged or destroyed during the war. "We were not allowed to study and our teachers have great difficulty trying to bring back what we lost," one of the children said.

The Junior Red Cross members have had to wait a long time for these acknowledgements due to poor transportation facilities and the lack of money and personnel in the Foreign Red Cross Societies. During the past few years, the shipment of Junior Red Cross gift boxes was delayed because of a shortage of shipping space in the ships going to Europe. Transportation facilities were also in a critical condition in Europe during this time. Many school buildings were partially or totally destroyed and schools met in homes or in any place where a small group could assemble.

Letters acknowledging the gift boxes were sent from the Foreign Red Cross Societies to National Red Cross Headquarters in Washington, D. C. and then forwarded to the areas concerned. The Midwestern Area, St. Louis, Mo., is composed of 15 states and is the headquarters for the Morgan County Chapter.

Translations require a great deal of time since this service is carried on mostly by schools and by volunteers who are employed elsewhere. Thousands of letters are received at one time in the National Red Cross headquarters in Washington and the task of sorting them after they are sent from the translators requires considerable time.

Conditions in Europe are improving and the delay should not be as great in the future as it has been in the past.

Jerseyville City Attorney, Quincy Woman Married

Jerseyville—The marriage of Harold R. Clark, city attorney of Jerseyville, and Miss Mary Ellen Murphy of Quincy, took place at 3 p. m. Thursday at the Vermont Street Methodist church in Quincy. The single ring service was performed by Rev. Harry S. Crede, pastor.

Miss Ruth Murphy of Quincy was matron of honor for her sister. The flower girl was Miss Marilyn Nichols of East St. Louis, niece of the bride. Paul Murphy of Quincy served as best man. Ushers included Hubert Wenzel and John S. Murphy, Jr. of Quincy.

The bride gown of ivory satin was styled with molded bodice, long fitted sleeves and scalloped yoke of marquisette outlined with beading of rhinestones and pearls. The full of Junior Red Cross gift boxes was delayed because of a shortage of shipping space in the ships going to Europe. Pekin, Ill., Sept. 17.—P.—Everett last in the 1930 primary in his first attempt to go to congress.

Two years later he was elected despite a Democratic landslide.

Dirksen, 53 year old Pekin native who was a candidate for the GOP presidential nomination in 1943-1944 is a candidate for the U. S. Senate in the Republican-Illinois primary next April.

He will kick off his drive at a basket picnic in exposition park. Thousands of Republicans and hometown associates are expected to attend.

Dirksen so far has no primary opposition in sight. But it's early.

He is a comparative newcomer to statewide politics. But in the 16th congressional district he's well known. He served the folks in Bureau, Marshall, Peoria, Stark and Tazewell counties from 1933 to 1949 as their representative in congress.

He retired last year because of an eye ailment from which he later recovered.

In congress he was prominent as an orator and as a member of the House appropriations committee. During and after the war he broke with some other Illinois Republicans on international policy, and sided to some extent with the Democratic majority on foreign affairs.

He voted for the Marshall plan, but has been critical of how it's working out.

He was born January 4, 1896. His parents were admirers of President William McKinley, and it was in McKinley's honor that he got his middle name.

He decided when still a teen-ager that he wanted to be a congressman. So he concentrated on public speaking. He attended Pekin grade and high schools and the University of Minnesota law college. He was an army lieutenant in World War I, serving 17 months overseas, and came home a captain.

After a few business ventures, he entered politics in 1926. He was elected Pekin's city commissioner of finance and served until 1931. He

## Laymen's League At White Hall Meets At Church

White Hall—The Laymen's League of the First Christian church met Wednesday night with a chili supper at the church, after which an interesting program was given, which included "Tell a Tall Tale" from each guest present and several vocal selections by David Angle. Group singing was led by Mr. Norman Bechtel, with Mrs. R. F. Barnett at the piano.

A family birthday party was held recently at the home of Mr. and

Mrs. Cliff Cox, honoring the birthday anniversary of Albert Bateman. Those in attendance included the Cliff Cox family, the Albert Bateman family and Mr. and Mrs. Reginald Williams. Mr. Cox, who was injured several weeks ago in an accident at the White Hall elevator, has returned home from the hospital.

Rev. Ben A. Bohn, pastor of the First Baptist church, who was a recent guest speaker at the Huddeson Baptist Home in Centralia, was elected a vice-president of the Corporation which governs the home's activities.

## Jersey Woman Suffers Burns

Jerseyville—Mrs. Lawrence Sandberg suffered minor burns during a furnace explosion at her home here, when she was starting a fire in the furnace and poured some kerosene from a large can into a small can. She threw the contents of the small can onto the kindling, and the explosion followed. The bottom was blown out of the large container and struck Mrs. Sandberg, injuring one of her legs.

Smoke damage ensued to the interior of the house. The Jerseyville Fire Department was called.

## Organize Camera Club Students At Carrollton

Carrollton—Dick Wilson, son of Dr. and Mrs. A. D. Wilson of this city, was named president of the Carrollton high school Camera club at an organization meeting held Tuesday morning, under the direction of Lois Schreiter, the new science teacher.

Other officers elected were Dick Standefer, vice-president; and Miss Mary Louis Richards, secretary-treasurer. The club was first organized under the direction of Charles Higgs, who was science teacher at that time, and was active for two years. For the past two years, however, there has been no club, since no sponsor was available.

## THE DOCTOR SAYS

### Periodic Physical Exam Needed To Stop Disease

By Edwin P. Jordan, M.D.  
Written for NEA Service  
A routine physical examination cannot guarantee absolute health nor even that some obscure disorder is not present. Also some things come on so suddenly that they may not even be present in the doctor's office and yet develop in a few hours. A person who visits the doctor regularly should report any symptoms or suspicious signs which may have developed since the last visit. The doctor is likely to ask a few

questions, such as whether there has been any gain or loss in weight. His examination often reveals such things as a chronic infection of the nose, bronchitis, the presence of hemorrhoids, a lump in the breast, swelling of the ankles and similar easily observed changes which ought not be present. Examination of the blood pressure should be included in every routine examination of grownups. A few simple laboratory tests on the blood and urine are generally made.

## Can't Use All Tests

So far the routine physical examination is fairly simple. However, there are so many special tests possible that it would not be practical to apply them to every person once or twice a year. How often, for example, should it be necessary to take a basal metabolic test, an X-ray of the stomach, an electrocardiogram, or examination of the blood? Such tests as these cannot be included in routine examinations unless there is some particular reason to do so. They would cost too much and take too much time to repeat often.

The use of reasonable methods of physical examination and such tests as seem to be indicated reveals many disease conditions in their early stages. This, of course, is of enormous help in treatment, as almost anything is easier to cure at the beginning than it is when far advanced.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

## THE DOCTOR ANSWERS

By Edwin P. Jordan, M.D.  
QUESTION: What is "dropped stomach" and what can be done for it?

ANSWER: There are probably several conditions which go under this name. Strictly speaking, it would consist of the stomach lying low in the abdomen instead of high

up. It could perhaps be helped by wearing an abdominal support. Sometimes a hernia or rupture of the abdominal contents is wrongly called a dropped stomach.

Frost a plain cake with orange coconut frostings. To make it, cream about three tablespoons of butter or margarine. Add about two cups of confectioners' sugar gradually, working it in well, and thinning it with about a quarter cup of strained orange juice. When the frosting is smooth mix in a half cup or so of grated coconut.

### Former Students Of Naples School Meet For Reunion

Naples—Former students of the Naples school gathered at the school for their third annual reunion. Ninety persons were present, half of whom formerly attended the school.

A basket dinner was served, followed by a program. Rev. J. A. Tucker, pastor of the Naples Methodist church, led the group in singing. Mrs. Wendell Brackett provided piano accompaniment for the group and for Janice and Donna Smith, who sang several selections. Rev. Tucker gave a short talk and read two poems. Vocal selections were also presented by Richard Hatfield and Lawrence Quintal.

**Prize For Local Woman**  
Prizes were awarded to Mrs. Hannah Williams Ratcliff of Jacksonville, who attended the school in 1870; Lawrence Quintal of Prairie View, who traveled the longest distance to attend the reunion; and Mrs. Lottie Welch Smith of Winchester, the oldest graduate present. The business meeting was con-

ducted by Mabel Holey, president, with Mrs. Margaret Hatfield, as secretary-treasurer. Officers chosen for 1950 were Mrs. William Chambers, president, and Norma Adams, secretary-treasurer.

The reunion was attended by former pupils from Prairie View, St. Louis, Mo., Bloomington, Peoria, Pekin, Beardstown, Alexander, Jacksonville, Eldred, Springfield, Chapin, Winchester, Meredosia and Naples. Next year's reunion will be held on the first Sunday after Labor Day.

### Home Bureau Unit At Glasgow Holds Monthly Meeting

Glasgow—The Glasgow Unit of the Morcan-Scott Home Bureau met at the home of Mrs. Lela Hester Thursday. The major lesson on "Understanding Youth" was given by Mrs. Hester, and the minor lesson on "Pickle Making" was presented by Mrs. Clea Yates.

Election of officers for the coming year was held. Those named were president, Mrs. Clea Yates; vice-president, Mrs. Gertrude Evans; secretary-treasurer, Mrs. Marjorie Sherwin; publicity, Mrs. Oma Edwards; youth and 4-H club, Mrs. Edith Jones; and recreation, Mrs. Lela Hester.

The next meeting will be held Oct. 30 at the home of Mrs. Percy Overton.  
A number of Glasgow residents attended the public sale of household furniture Wednesday at the former home of W. A. Waid, south of Alsey. The many items, listed for sale, included household furniture, a number of antiques, and miscellaneous items. A seven-year-old, five-paned saddle horse was purchased by Mrs. Clarence Dobson for \$120.

### Dr. Norbury Tells Staggering Cost Of Health Plan

Dr. F. Garm Norbury of the Norbury Sanatorium, Inc., spoke Friday noon to the Rotary club on "Socialized Medicine," a subject which is under wide discussion throughout the country.

Dr. Norbury said there has been too much emotion by both sides on the question, instead of factual reasoning to ascertain if such a program is best for the United States. He said that in almost every instance government proposals and proposals of the American Medical association are in agreement. The major difference, Dr. Norbury pointed out, is the plan for compulsory health insurance supported by the national administration, as compared to the voluntary health insurance plan proposed by the medical association.

Dr. Norbury declared that 60,000,000 persons in the United States are now covered by voluntary insurance, with the numbers steadily increasing. He said the government program, on the basis of the amount of care given by Great Britain, would cost an estimated eight and one-quarter billion dollars each year. Four and one-half billion of this would have to come from general tax income, and the remainder from a payroll deduction plan.

The speaker was introduced by Dr. S. N. Clark, program chairman.

### Jr. High Students Name Committee On "Y" Activities

At a meeting held Friday afternoon in the David Prince auditorium, a committee of seventh and eighth grade students was appointed to work with the parents committee on Youth Center activities for students of junior high school age.

The committee of eight is comprised of two boys and two girls from the seventh and eighth grades. Representing the seventh grade are Sandra Bonjean, Gerry Smith, Bradley Blodgett and Bruce Barter. The eighth grade is represented by Ann Naranick, Janet Omundson, Bob Scott and Joe Sommers.

The student body of South Jacksonville and the parochial schools are invited to elect representatives for the committee.

It was not unusual for a person to drink 40 to 50 cups of tea daily during the 17th century.

### SKATING VANITIES OF 1950

Eight especially trained ballerinas will supplement the interpretative skate-dancing of Eileen McConnell in the "Symphony in Pink" production number in Skating Vanities of 1950, when the completely new \$1,000,000 spectacle plays a five-day engagement at the Illinois State armory in Springfield, Oct. 5-9.

### Vets' Children Can Get Aid For School Purposes

Financial aid for educational purposes is available to children of deceased World War I and II veterans in Illinois.

Under the laws of Illinois any child between the ages of 14 and 22 whose father or mother died in service or as a result of service is entitled to \$150 a year allowance for school supplies, tuition or room and board.

The Illinois Veterans commission through its field offices has been contacting next of kin of deceased veterans to determine the dates on which children would become eligible for state aid. More than 25,000 families will have been contacted before the survey is completed.

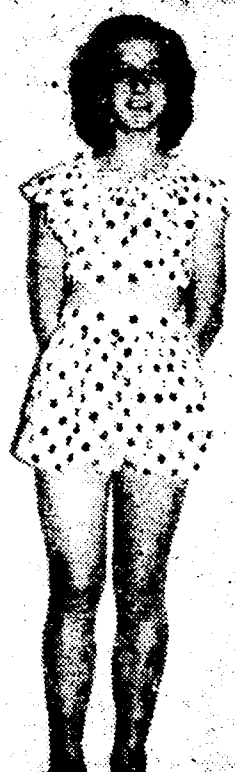

Meanwhile many families who have not been contacted may have children who can qualify for this state educational benefit. Service officers of the Illinois Veterans commission can furnish all necessary information and assistance in making application for the \$150 annual school allowance.

In Morgan and Scott counties veterans or dependents can receive aid at the IVC office located at rooms 6-7 Morrison block in Jacksonville.

### ABUNDANT ALUMINUM

### Wins Contest

MARTHA J. BEDDINGFIELD

First prize of \$50 in cash was the reward of Martha Jane Beddingfield of Concord in an amateur contest at Beardstown, where she performed her rope-jumping tap dance before a large audience.

Martha Jane is a petite dancer, 12 years old, and attends the eighth grade at the Concord school. She has won three firsts and a second in amateur entertainment contests. Her dance is one of four different steps, all performed while jumping the rope. She has studied six months with Mrs. Wanda Hopper Lowe of Jacksonville. The Concord dancer is fond of athletics in addition to dancing. Patty Williams, the Concord correspondent for the Journal Courier, waited a half hour for Martha Jane to finish a baseball game in a neighbor's yard before snapping the above picture.

### Mrs. Lena Schall Dies at Hospital; Funeral Monday

Mrs. Lena P. Schall, widow of the late Henry C. Schall, residing nine and one-half miles northwest of Jacksonville, died Saturday morning at 7:50 o'clock at Passavant hospital, after a brief illness.

Mrs. Schall was born Aug. 31, 1876, in Cass county, daughter of Carl and Caroline Brech. She was preceded in death by her husband on Oct. 12, 1935. Surviving are two children, Mrs. Marie Reed and Robert Schall, both of Jacksonville; a half sister, Mrs. Amelia Nebold Oldenburg; two grandchildren, Mrs. Dale Rudisill and Mrs. Leonard Buchanan; one great granddaughter, Caroline Mae Rudisill, all of Jacksonville.

The decedent was a member of the Concord Methodist church, and active in the work of the W.S.C.S. Funeral services will be held Monday at 2 p. m. at the Concord Methodist church, in charge of Rev. Robert L. Pitch. Interment will be made in Concord cemetery.

The remains are at the Williamson Funeral Home, where the family will meet friends Sunday between 2 and 5 p. m., and 7 and 9 p. m.

## Gussie L. Howell, Daughter of Early Day Family, Dies

Jerseyville—Funeral services for Mrs. Gussie L. Howell, aged resident of this city will be held Sunday afternoon, Sept. 18, at 2 o'clock from Jacoby Brothers Funeral Home. Rev. David P. Maxton, pastor of the Jerseyville Presbyterian church will officiate and interment will be in the Oak Grove cemetery.

The deceased was the daughter of the late Dr. Asa and Priscilla Landon Snell and was born in Jersey

county June 4, 1857. She was the youngest of a family of 14 children born to the pioneer couple, her father having been the first practicing physician in Jersey county.

She attended the Ladies' Seminary in Jerseyville, a school of pioneer times, and a girls' college at Lexington, Mo. She was married to the late John J. Howell, Dec. 12, 1877, and he preceded her in death in 1894.

They were parents of five children, two of whom survive her, Mrs. Minnie Hesley, deputy county clerk of Jersey county and Harry Howell of La Jolla, Calif. The deceased sons were Clarence, Russell Dean and County Judge Fred W. Howell.

## South Side Circle Holds Meeting Friday Afternoon

Mrs. C. R. Short entertained members and guests of the South Side Circle Friday afternoon at her home, 305 North Prairie street.

A brief business session was conducted by the president, Mrs. E. A. Schoedsack, after which the meeting was turned over to the program chairman, Mrs. Earl Underbrink.

Mrs. Underbrink introduced Mrs. Julian Hall, who reviewed the book, "The Big Fisherman" by Lloyd C. Douglas. A house guest of Mrs. Short's and an associate member of the circle, Mrs. E. G. Carpenter of St. Charles, Mo., entertained the group with a number of original poems and piano compositions. Two vocal selections were presented by Mrs. R. M. Tomlin of Springfield, accompanied at the piano by her mother, Mrs. Short.

A card chower was held for Mrs. Carpenter in honor of her birthday anniversary. Mrs. Schoedsack was honored with the singing of "Happy Birthday."

Following the meeting, refreshments were served from an attractively-appointed tea table, presided over by Mrs. R. G. Baker and Mrs. Ethel Strawn.

## Bell At Westminster Silent After 83 Years

For the past two Sunday mornings the large bell in the tower at Westminster Presbyterian church has failed to sound for services, for the first time in eighty-three years. Both the pastor, Dr. Arthur E. Ewert, and members of the church have received inquiries as to the reason for its silence.

According to announcement made by Dr. Ewert to the congregation at a recent meeting, experts called in to examine the bell have found that a crack has developed at the place where through the years the hammer has struck the outside of the bell. In their opinion the damage can be repaired only by recasting the bell, an operation which would necessitate first removing a part of the wall and building a heavy scaffolding, because of the great weight of the bell.

At the time of the building of the present church, the bell was transferred from the old brick structure on Westminster street. According to the Jacksonville Courier and Journal of December 10, 1899, it sounded in the new building for the first time on that date. A few days later the same papers carried another item which spoke of inquiries received in regard to the bell, and continued: "Menely's of West Troy, N. Y., makers of the bell, have responded as follows: 'Our books show that on Oct. 2, 1866, we furnished Rev. D. H. Hamilton of Jacksonville, Ill., one of our 3200 pattern bells, weighing 3292 pounds, the aggregate of bell and mounting something over 5,000 pounds. Its tone was undoubtedly D of the then concert pitch.' The article added that cast in the bell were the words, 'Menely's West Troy, N. Y., 'Thy Kingdom Come.' Westminster Presbyterian Church Jacksonville, Illinois, A. D. 1866."

The church building is at the present time undergoing a thorough renovating, but this condition was not foreseen when the budget for the repair work was made, and in Dr. Ewert's opinion it will not be possible immediately to undertake the recasting of the bell.

Its deep tones will be missed on Sunday mornings through the west part of the city.

## Program Outlined By Home Bureau Unit At Arenzville

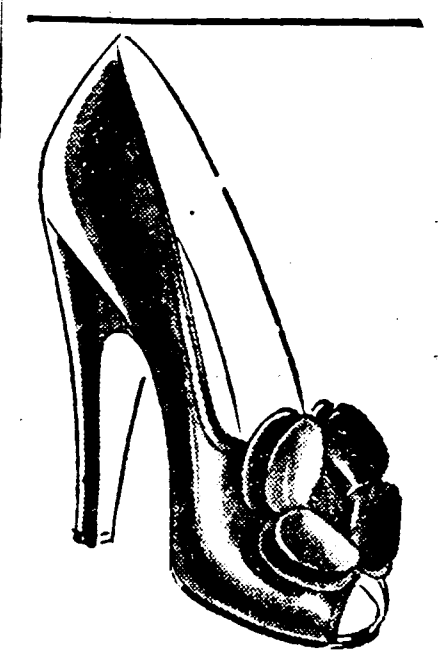

Arenzville—The program for the coming year was outlined and the program books distributed at the meeting of the Arenzville Home Bureau Unit, held Thursday with Mrs. Bud Morrison as hostess.

Mrs. Rene Kruse presided over the meeting. Mrs. Frances Hobrock was secretary. Reports were given by chairmen of the various committees.

The minor lesson on "Packing Lunches" was presented by Mrs. Kruse. Mrs. George Manker and Mrs. Morrison gave the major lesson, "Wise Use of Resources to Save Time and Energy," followed by a demonstration of clearing the dinner table and doing dishes.

Refreshments were served. The next meeting will be held Oct. 20 with Mrs. M. G. West.

Miss Esther Lovekamp was a guest.

## SOYBEAN RISE IN U. S. SPECTACULAR

Washington—(AP)—In 40 years soybeans have risen from almost nothing to one of the major U. S. crops, says W. J. Morse of the U. S. Department of Agriculture. The department first became interested in the crop in 1908.

The beans were imported from China. At first there was little use made of them in this country. Mostly they were planted when some other crop failed. Then they were used for many years mainly as a forage crop.

After 1930, however, soybeans began to have a place in many crop rotations. Now they are widely used as a cash crop. The beans are sold for food and industrial uses.

## How To Invite A Depression

A man lived by the side of the road and sold hot dogs. He was hard of hearing, so he had no radio. He had trouble with his eyes, so he read no newspapers. But he sold good hot dogs. He put up signs on the highway telling how good they were. He stood by the side of the road and cried: "Buy a hot dog, Mister." And people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade. He got his son home from college to help him. But then something happened... His son said, "Father, haven't you been listening to the radio? There's a depression on. The European situation is terrible. The Domestic situation is worse." Whereupon the father thought, "Well, my son's been to college. He reads the papers and he listens to the radio, and he ought to know." So the father cut down on his meat and bun orders. Took down his advertising signs. And no longer bothered to stand out on the highway to sell hot dogs. And his hot dog sales fell almost overnight. "You're right, son," the father said to the boy. "We certainly are in the middle of a great depression."

## Hold Final Session Of "Y" Softball School Saturday

The Y.M.C.A.-sponsored softball school for young boys closed Saturday morning, with the third and final session held at the J.H.S. athletic field.

The group of 40 boys divided into four teams and played a series of five-inning games, putting in practice the fundamentals of softball which they had learned at the previous sessions.

Clinton Arenz and his Coca-Cola Boys, Junior League winners, conducted the school. Another school is scheduled to be held in the spring before the softball season gets under way.

## Scott County Petition Urges That Gambling Statutes Be Enforced

Scott county may soon place a ban on all forms of gambling if action is taken on a petition presented to State's Attorney Richard Mann at Winchester Saturday.

According to information received here, the petition asking that gambling be abolished in Scott county was signed by several residents of the county, most of whom reside in the southern part of the county.

State's Attorney Mann in a telephone conversation with the Jacksonville Journal Courier Saturday afternoon said he had received the petition, but had no statement to "make at this time."

Sheriff Randall Killbrow said that he had heard that the petition had been presented to the state's attorney.

Slot machines, punch boards, lucky jars, pinball machines and card games are reported to have operated in Scott county for several years.

## Nine Greene Co. 4-H Members Sell Calves At Market

Carrollton—Calves belonging to nine 4-H members in Greene county were on the market Wednesday, Sept. 14, in East St. Louis on the St. Louis Producer's association 4-H cattle and marketing day. The 4-H club calves topped the market for the day with a top of \$33.50 per hundredweight against \$31 on the open market.

Miss Joan Darr's white shorthorn calf and Miss Marilyn Day's Hereford calf each sold at a top of \$32 per hundredweight to lead the field for Greene county. Neil Twitchell and Miss Verna Mae Reynolds each received \$31.50 per hundredweight for their Angus calves. Miss Marjorie Reynolds, with an Angus calf, and Miss Sandra Landon and Duane Varble, each selling Herefords, received \$31 per hundredweight. Dale Edwards sold an Angus calf for \$29 per hundredweight.

The 4-H club youths were accompanied by W. H. Brown, Jr., farm

adviser, Kenneth Robinson, leader of the club, and John Everett, the 4-H club sponsor from Kocubouse township.

Parents and families of the youthful stock feeders also attended the sale.

"Funniest thing! I keep thinking I see elephants!"

Dan: "You do—y'see, I'm gonna parade these elephants around town, carrying an important message to folks. This first baby, here, carries a great big 'LENNOX' sign. It's the most famous name there is in home heating! And the second elephant sign'll say, 'World's Largest.'"

Ted: "Sounds impressive!"

Dan: "Sure—there's no company more prominent in its field; they have over 5,000 experienced dealers like me all over America!"

Ted: "And what'll the other two elephants have to say?"

Dan: "Their signs'll read, 'Manufacturers and Engineers of Warm Air Heating Systems.' Those first three words show why Lennox systems are so efficient; they're built by experts!"

Ted: "And the last part tells me there're lots of Lennox systems!"

Dan: "Dozens and dozens of 'em in sizes and types for gas, oil, and coal! What'd you think of my idea?"

Ted: "Super-colossal. Dan! And here's some more advice: better sign me up for a Lennox System right now."

### Philadelphia Beats White Sox Whip Cincinnati 4 To 0 Athletics 8 To 5

Cincinnati, Sept. 17.—(P)—Russ Meyer won his 14th game of the season today as he throttled Cincinnati with three hits and hurled Philadelphia to a 4 to 0 victory over the Reds.

The setback left the Reds only a half game ahead of the eighth place Chicago Cubs.

The Phils got enough runs in the fourth to win the ball game. Dick Sisler beat out a bunt and Del Ennis doubled against the right center field end of the bleachers, sending Sisler to third. Andy Seminick scored Sisler with a single and Ennis tallied on "Puddinhead" Jones' fly to Lloyd Merriman.

Two more runs were tallied in the ninth, one on Seminick's homer, but they weren't needed.

Philadelphia, Sept. 17.—(P)—The Chicago White Sox hit five doubles, four singles and a triple to defeat the Philadelphia Athletics, 8 to 3, today in the final game between the two clubs this season.

The A's used three pitchers trying to stop the Sox.

Mickey Haefner received credit for his first victory over Philadelphia after four previous defeats. Marino Pieretti took over in the 9th when Philadelphia scored once with one out. He filled the bags with pass to Eddie Joost but then got Elmer Valo on a pop up and Don White on a grounder to the mound to end the game.

### SAUKES SHORT CIRCUIT CRIMSON SPARK PLUG

Crimson Halfback Bruce Samore is caught by the photographer and a Pittsfield linesman simultaneously as he attempts to skirt left end in Friday night's JHS grid opener here.

"Pee Wee" Campbell (45) Crimson quarterback is being shoved wide of the play while Pittsfield line backers Garner (foreground) and Conkright (40) rush to assist their Sauk mate. Samore came through with several nice runs, one a 25-yarder, but failed to find Pittsfield's well guarded end zone as the visitors romped to a 20-0 opening season victory.

### TIGERS TUNE UP

Art Yates' ISD gridders are warming up to their tasks, as this picture will testify. With their home opener set against the Carrollton Hawks here next Saturday afternoon, the Tigers have little time to spend leisurely. Irvin Carlstedt, an end, and Jerry Tuckman are shown high-lowing another Tiger mate Teddy Zuziak during scrimmage.

### Yankees Defeat Tigers 5 To 4

New York, Sept. 17.—(P)—Joe Page, the Peerless relief pitcher making his 53rd appearance of the season, saved another game for the New York Yankees today as the Detroit Tigers were set down, 5-4.

George Vico and pinch-hitter Paul Campbell hit home runs on successive pitches in the seventh to knock Fred Sanford from the mound. Page after Hoot Evers' long fly, but he saved the day in the ninth by forcing Johnny Lipon to hit into a double play that ended the game.

With both New York and the Boston Red Sox winning, the Yankees held their two and one half game lead in the American league, but time is running out on the Red Sox.

The defeat was the fourth in a row for the Tigers after they had won 10 straight.

### Two Fall Softball Leagues To Play At Patterson

Patterson—The grade school has organized for the fall softball season. This year it will be made up of two leagues, with two teams in each league. Captains for the teams are Billy Cash, Laddy Schutz, John Rollins and Shirley Coates. The janitor, Hubert Brown, will act as umpire.

Roger, son of Mr. and Mrs. Merle Hinman, northwest of town, entered school this week. He was unable to enter at the beginning of the term, due to illness.

**Royal Neighbors Meet**  
The Royal Neighbors met Thursday evening at the schoolhouse with 16 members present.

The business session was followed by a number of games. The social hour was in charge of Mrs. Helen Bain and Mrs. Marjorie McBride.

Refreshments of ice cream and cake were served at the close of the evening.

Hicestesses for the October meeting will be Mrs. Lola Tankersley and Mrs. Maurine Ford.

**Patterson News**  
Mr. and Mrs. Jimmie Rutledge of Carrollton visited Tuesday evening with Mr. and Mrs. Basil Dawdy and son, Gary. Mr. Rutledge is employed as music supervisor in the Carrollton schools this year. He is the son of Mr. and Mrs. Emmett Rutledge of St. Louis, former residents of Patterson.

Mr. and Mrs. C. B. Van Nordsall of White Hall visited Tuesday with Mr. and Mrs. Guy Houghton.

Mr. and Mrs. Noble Wilkinson of Keyes, Okla. have been visiting the past week with Mrs. Sarah Wilkinson and family and other relatives.

Ernest Carriger of Springfield visited with his parents, Mr. and Mrs. Charles Carriger, Friday.

### CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 17.—(P)—Livestock was nominally steady today. The nominal hog top was \$21.75.

Hogs reached the season's highest levels Monday and then declined sharply and are 50 cents to \$1 lower compared with a week ago. Sows were 50 to 75 cents higher, however.

Practically all classes and grades of slaughter cattle advanced sharply until Thursday, when the market broke 50 cents to \$2 on slaughter steers and heifers. Late trade, however, was unevenly steady to \$2 higher than a week ago. The steer top this week was \$35.15, a new high for the year.

Slaughter lambs were \$1 lower compared with a week ago. The early top today was \$24.75 and the late top was \$24.

Estimated receipts today were 300 hogs, 500 cattle and 100 sheep.

Almost three-fourths of pedestrians killed in traffic accidents are struck down between 5 p. m. and 8 p. m. during the seasons when these hours are dark.

# Hilltopper Coaches Check Candidates As Opener Nears

## Fifteen Backs Fight For Starting Berths In IC Grid Inaugural

Illinois College—(Special)—Hilltopper coaches Al Miller and Joe Brooks began scrutinizing Blueboy football candidates a little more carefully this weekend as the Millikin home opener began to loom in the very near future.

Completing a full week of tough scrimmage sessions, head coach Miller began a thorough weeding-out process that will eventually land him a starting eleven to throw against the Big Blue from Decatur when they invade the local high school field this Friday night.

In reality, prospects for a successful grid year at the college are by far the best they have been during the short era of postwar football. And the really hopeful sign for '49 in the opinion of most local observers is the vast improvement in the backfield reserve strength.

Where the Blueboys had only nine backfield men altogether last year they have 15 this season—five lettermen and 10 new recruits.

**Grove, Gross Lead Backs**  
Leading the parade of returnees are quarterback Bob Grove and fullback Bill Gross. The versatile Grove proved to be a capable field general when he had men around to help him last year and has looked equally well in practice this season. Gross, a 200 pound pile-driving fullback from Danville, played his first season in the backfield last year and, with that experience under his belt, promises to be even tougher to stop this fall.

Bob Scheller, a fullback last season, has been shifted to quarterback, and is shaping up as the squad's number-one passer. Two seasons' experience seems to be paying off for Scheller as well as Dave Billings. Dave is showing up at the halfback spot from where he is running again this year after switching to quarter last fall. Another halfback, Jerry Ryan of Jacksonville, rounds out the list of backfield lettermen.

**New Candidates Show Promise**  
The 10 new backfield candidates all show promise. Most of the group are the fast, shifty type of runners rather than the bulky line smashing type, and many of them seem to have a knack for picking the holes in the line and squeezing through. Perhaps the standouts of the group are Ray Watts, a five foot nine inch, 160 pound youngster from Westville; J. J. De La Paz, a husky built speedster from Chicago, and Ken Barnard, a five foot seven inch, 154 pound scabbard, who was a standout all around athlete at White Hall high school.

## Illini Varsity Blanks Freshman Eleven 38 To 0

Champaign, Ill., Sept. 17—(P)—Illinois' varsity football squad continued its mastery over the freshmen today by whipping the "greenies" 38-0.

Only once, in 1907, have the frosh triumphed over the varsity. A crowd of 6,703 watched the varsity muster only two sustained marches of consequence. Johnny Karras, sophomore, and Bernie Krueger were the offensive stars, the former ripping off a 46-yard touchdown dash. Krueger uncorked three passes, completing them all. One was a 43-yard scoring toss to Don Laz.

**Line Is Tough Again**  
The line, strong a year ago, promises to be stronger in '49. Coach Brooks has 11 line veterans including all of his first string line of '48 except Charlie Due, whose shoes will be capably filled by Ralph Christensen, a rangy lad who saw plenty of action at end in his freshman year last season.

The Blueboy line boasts last year's co-captains, Jim and Sam Spink, 230 pound Jacksonville twins, at the tackles, and this year's captain, Don Longer, six foot four passer-snatcher from Danville, at end. Longer is in his third season at end. Paul Lasley, who received all-conference honorable mention at guard last year has been switched to center. Lasley is expected to operate mainly on offense, with Jerry Laschinski, one of the finest line backers in the conference, in on defense most of the time.

**Newcomers Trying For Line Jobs**  
A trio of guards, George Florence, Bill Matthews and Bob Brand, and a pair of reserve ends, Bob Falkenburg and Bob Harshman round out the group of line veterans. Florence, a sophomore from Jacksonville, looks like a cinch to start at one guard position with Matthews perhaps having the edge at the other, but there are plenty of newcomers pushing for line positions, especially at guard.

Six new guard candidates include Dick Grimm, Chicago; John Kochvar, Westville; Bob Beck, Evanston; Bill Long, Georgetown; Ralph Thompson, Scottville, and Duane Gronau, East Rockford. Gronau was out last season but saw little action. The remaining five new recruits include three tackle candidates, Joe Baker and Bill Brooks, Jacksonville, and Dick Bishop, Chicago; center candidate, "Nero" Thurmon, Jacksonville, and end-aspirant, Dick Clark, Chicago.

Howard Berline has taken over the head coaching reins at White Hall high school this year. An assistant last season, Berline took charge when the head coach resigned. He will get his '49 grid campaign underway Sept. 23, entertaining Mason Campbell's Roodhouse Railroaders in an Illinois Valley conference tussle.

## Cubs Overcome N.Y. Giants 4-2

Chicago, Sept. 17—(P)—The Chicago Cubs, aided by Hank Sauer's 28th home run, defeated the New York Giants 4-2, today, to hand the Polo Grounders their sixth straight loss.

Dutch Leonard, veteran Chicago knuckleball expert, bested Dave Koslo in a hurling duel, but needed help from Johnny Schmitz in the ninth to achieve his seventh success.

Sauer's homer came in the eighth and before Koslo could get out of the inning. Phil Cavarretta walked. Herman Reich and Leonard singled to bring in another run. A walk to Cavarretta, and singles by Mickey Owen, Leonard and Bob Ramazotti, gave the Cubs their other two runs in the second. New York ... 000 011 000—2 7 2 Chicago ... 020 000 02X—4 10 4 Koslo, Higbe (8) and Westrum; Leonard, Schmitz (8) and Owen. HHR—Chi—Sauer. WP—Leonard. LP—Koslo.

## Red Sox Edge Brownies 3 To 2

Boston, Sept. 17—(P)—Although limited by right hander Cliff Fanning to five hits, three of them doubles, the Boston Red Sox defeated the St. Louis Browns 3-2, today for their 16th consecutive home victory.

Joe Dobson gave the Brownies nine hits as he chalked up his 13th victory against 11 losses to keep his pennant-hopeful forces two and a half games behind the top place New York Yankees.

The Browns got their first run in the second inning on a double by Roy Sievers and a Dick Kokos single. Sievers scored again in the fourth when he drew a base on balls and was clubbed around by Kokos and Les Moss.

The Red Sox tallied twice in the second inning when Billy Goodman doubled in Junior Stephens and Al Zarilla. Lou Stringer's two bagger drove in Goodman with the clincher in the sixth frame.

St. Louis ... 010 100 000—2 9 0 Boston ... 020 021 00X—3 5 0 Fanning and Moss; Dobson and Tebbetts.

## TEXAS U. SLAUGHTERS TEXAS TECH 43 TO 0

Austin, Tex., Sept. 17—(P)—The University of Texas opened its 1949 football season today with a 43-0 massacre of Texas Tech.

Use of third and fourth string Longhorns did not slow the scoring pace.

As 28,000 fans watched in Memorial Stadium the Longhorns counted in every period.

## Cards, Dodgers Both Lose As Redbirds Lead In Race For Pennant

St. Louis, Sept. 17—(P)—Bill Voiselle allowed nine hits while his teammates garnered only five, but they were enough for the Boston Braves to take a 4 to 2 victory from the St. Louis Cardinals today.

It left the Redbirds' lead over the Brooklyn Dodgers at two and a half games. The Dodgers took a beating from the Pittsburgh Pirates, 7 to 2. Only man to really trouble Voiselle was Ron Northey who homered in the second with the sacks empty and doubled in the eighth with Stan Musial on second and Enos Slaughter on first. Musial scored. But Voiselle got Glenn Nelson to pop out, ending the inning.

The Braves picked up three of their runs in the second frame off Al Brazle, before Ted Wilks came in and stopped the attack. The Braves added another run in the eighth. Boston ... 030 000 100—4 5 0 St. Louis ... 010 000 010—2 9 0 Voiselle and Crandall; Brazle, Wilks (2), Staley (8) and Garagiola. HHR—StL—Northey. LP—Brazle.

Pittsburgh, Sept. 17—(P)—Brooklyn's waning pennant hopes took another serious dip today when the suddenly ferocious Pittsburgh Pirates handed them another heavy blow in the shape of a 7-2 licking. The victory enabled the Bucs to sweep the two-game series.

A five-run assault on relief pitcher Erv Palica in the seventh inning snapped a 2-2 tie and prevented the Brooks from cutting into league leading St. Louis' two and a half game margin. Wally Westlake's triple with the bases loaded featured the big inning. Murry Dickson, Pittsburgh's little righthander, handcuffed the Dodgers with five hits to register his ninth victory. He was in serious trouble only once. That was in the top of the seventh when the Dodgers tied the score at 2-2 on two hits and a fielder's choice.

## Indians Blast Washington 8-3

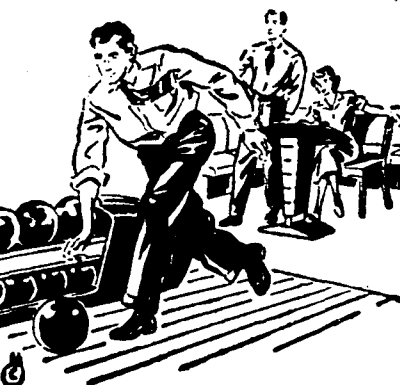

Washington, Sept. 17—(P)—The Cleveland Indians, fighting to keep alive their American league pennant hopes, slammed out 16 hits today for an easy 8 to 3 victory over the tail-end Washington Senators.

Gene Bearden was the winning pitcher, limiting the Senators to eight hits. One of them, however, was first baseman Eddie Robinson's 18th homer of the year. Mickey Harris and Joe Haynes were victims of the heavy Indian batting rampage with Harris the losing pitcher.

Lou Boudreau sparked the Indians' assault with four singles, while Ken Keltner and Mickey Vernon each contributed a double and two singles.

Bearden, who squared his season record at 8-3, survived a shaky start. He was clipped for six hits in the first three innings but permitted only two hits in the last six. It was his first win since July 24. Cleveland ... 102 002 120—8 16 2 Washington ... 201 000 000—3 8 2 Bearden and Hegan; Harris, Haynes (8) and Evans. HHR—Washington, Robinson. Losing pitcher—Harris.

## Midwest Auto Racers At Fairgrounds Today

The Midwestern Auto Racing association will be at full strength this afternoon when its riders circle the Morgan county fairgrounds track in their never-ending quest for fame and fortune.

Al Ketter, popular Rock Island racer who smashed his car and served two days in a local hospital as reward for his last try at the auto racing game here, has rebuilt his famous V8 auto and will be in there again gunning for top money.

Wally Powelly, a Quincy driver, east turn at the fairgrounds some who took a bad spill on the Southweeks ago, has also recuperated and will be in there pitching for his share of the glory.

The other two Ketter brothers, Harold and Beef, have kept their cars intact and will vie with the best for blue ribbons. Johnny Joy,

## TCU Horned Frogs Smash To 28-0 Win Over Kansas

Lawrence, Kas., Sept. 17—(P)—Lindy Berry's spotty but timely passing and a methodical ground attack rolled the Texas Christian University Horned Frogs to a 28-0 victory over the Kansas Jayhawks in a season football opener for both teams today.

Some 32,000 fans, a record opening home attendance for Kansas football, watched Berry engineer the Frogs to a 21-0 halftime lead.

Frog Captain Berry scored TCU's first and last touchdowns.

He was over from the five yard line after eight minutes of play and ran back an intercepted pass forty-four yards in the final period.

In between Berry's touchdowns, TCU scored with rookie Quarterback Don Wilde going 26-yards and sophomore Fullback John Morton cracking over from the one-foot line. Both came in the second quarter.

After each touchdown, Homer Luderer placekicked squarely between the bars. Berry had the biggest hand in keeping TCU's slate undefeated in their seventh meeting with Kansas. The little mah threw long on his first five passes, but connected with Halfback Jimmy Hickey and End Morris Bailey to set up the first touchdown. He finished his day's work with nine completions in 19 passing attempts for 129 yards.

## Football Briefs

Iowa City, Ia., Sept. 17—(P)—The University of Iowa football team held another full-scale scrimmage today, polishing the offensive attack for next week's opener here against UCLA.

Coach Eddie Anderson, noting UCLA's 35-13 victory over Oregon State Friday night, said it looks like his charges will go through plenty of defensive work next week in an attempt to master the finer points of UCLA's powerful single wing.

Iowa has never beaten a west coast team in four games.

**Indiana Varsity Wins**  
Bloomington, Ind., Sept. 17—(P)—Indiana's varsity pounded the reserves today, 33-0, in the final practice game tuneup for the opener with Notre Dame next Saturday.

Fullback Milan Sellers got two touchdowns, one on an ashort plunge and one on a 67-yard dash.

**Irish Scrimmage**  
South Bend, Ind., Sept. 17—(P)—Quarterback Bob Williams was passing effectively here today as the Notre Dame first team scrimmaged a combined frosh-varsity reserve team.

Twice Williams hit Left End Bill Wightkin for touchdowns and the same two good also combined on a long floater good for a 39 yard gain.

**Wildcat Defense Hurt**  
Evanston, Ill., Sept. 17—(P)—Two of Northwestern's most valuable defensive players, Captain Steve Sawle, tackle, and line-backer George Sundheim, are doubtful starters against Purdue next Saturday.

Sawle suffered a painful ankle injury in yesterday's intra-squad tussle and is not expected to suit up again until midweek, if then. Sundheim, a fullback, is still nursing a week-old injury of torn ligaments on top of his foot.

The Wildcats drilled on kickoff and punt returns today and brushed up on signals.

**HOLY YEAR HOSTEL STARTED**  
Pompeii, Italy—(P)—The cornerstone of a large hostel for pilgrims was blessed here recently by Adeodato Cardinal Piazza, archbishop of Naples. The hostel will be completed for the Holy Year in 1950. It will be called the House of the Very Holy Rosary.

**OF LITTLE VALUE**  
Africa has more potential water power than any other continent, but its many waterfalls are so located that they are of little or no use.

former Chapin, Ill. boy, is recognized as one of the leading money winners in the circuit and will appear on the local track this afternoon to prove just that.

Merle DeWees, member of the Jacksonville Zingabed Grotto who are sponsoring the affair, will be in charge of the pits. "Perk" Chumley heads the Grotto committee supervising the races.

Today's races are only one step behind the championship events which will be held here in about three weeks. Several association drivers will have to go all out today in order to collect enough points to enter the finals. To insure entry into the championship races, a driver must have collected a certain number of points during the seasons competition.

Time trials are slated to get underway at 1 p.m.

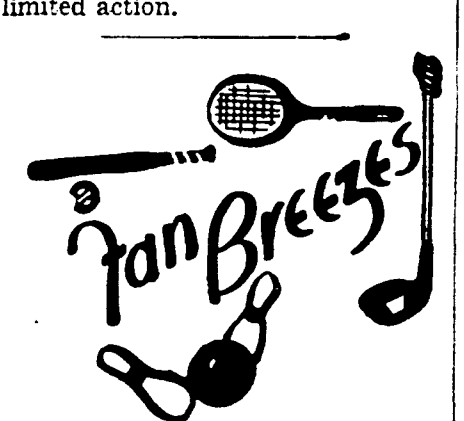

## Winchester Club Drops Opener 12-0; Plays JHS Friday

Winchester—The Winchester Wildcats were blanked 12-0 in their season's grid opener by the Hannibal High Pirates on the Missouri turf Friday night.

The Missouri crew chalked up its first marker early in the opening quarter when Halfback Bill Crawford returned a Winchester punt 65 yards to score. Hannibal threatened again in the first half but were thwarted on the Winchester 2 yard marker when the Wildcat line held for four downs with no gain.

The host club racked up its second TD late in the third quarter when Jack Arnold skirted end for 30 yards and a tally.

Coach E. W. Posey saw two of his Wildcat gridders injured in this opening frame. Danny Drummond, fullback, received a leg injury and will not be able to play against the Jacksonville High school eleven Friday night. Phillip Nash, a halfback, pulled a leg muscle and will see only limited action.

By Bob Merris

We wonder when the St. Louis Cardinals and Brooklyn Dodgers are going to disband the "Anything You Can Do I Can Do Better" policy and decide that National league pennant race. We believe that it's a fine stroke of luck that when the Cards lose, so do the Dodgers, but the suspense is killin' us. And, here we've placed a world series ticket order with Fred Saigh.

Well, the ice is broken in the Jacksonville football pool. And a smithering fine job of melting did the Pittsfield lads do. Glenn Smith's boys passed up everything but their own 20 yard line. We doff our derbies to one of the finest coaches in downstate Illinois and wouldn't be a bit surprised to see his Sauksee tribe extend their undefeated skid by eight more scalps this fall.

Because we believe in giving credit where credit is due, we can't overlook the part that Billy Sabatini, Bruce Samore and several other Crimson backs played in Friday night's fiasco. Sabatini especially captured our fancy. In covering a game, we can only watch the backs and therefore miss most of the line play. But, getting back to "Sabby," The swarthy little sophomore didn't even rate a starting berth in the Crimson backfield. Yet when inserted into the tangle sometime in a performance that would give credit to a much more experienced griddier.

He was already recognized by coaches Kraushaar and Chapman as the fastest back on the Crimson squad, and didn't let anyone down in that respect. Sabatini, upon entering the fray, promptly ripped off some sizable chunks of yardage for first downs with end skirts. Then, when the situation got desperate, he faded and calmly tossed passes to ends Dick Gottchall and Harvey Myers. But here's the payoff. Sabatini is, to watch, just about the worst passer that ever donned gridiron harness. His heaves wobble, and falter, are a mile high, and seem to invite every man on defense to intercept. Yet, they always find their intended mark while the beautiful, accomplished backs either overful, spiraling throws of the more shoot or hit the opposition. We don't know how he does it, and what's more don't care, as long as those yard markers slip under his legs and arms.

The other three local football teams get in the act this week and we'll probably have many stars about which to emote. However, at the moment, Billy Sabatini, a little scooter who won't weight 145 pounds soaking wet, is our nominee for Jacksonville's football player of the hour.

**IOWA COLLEGE WINS**  
Ames, Iowa, Sept. 17—(P)—Iowa State college romped over Dubuque, Iowa, university, 64-0, in its football season opener today. The cyclones were on the Dubuque goal most of the game, scoring 10 touchdowns.

## Millikin Boasts Best Football Prospects Since Pre-War Days

Decatur, Ill., (Special)—With a full length intrasquad game scheduled tomorrow, Coach Henry (Whitey) Keil has sent his Millikin football squad through frequent scrimmages last week in an effort to determine a starting varsity eleven.

Seventeen letter men, 14 reserves from last year and 30 newcomers make up the best looking Big Blue squad in four years of post-war football.

Several freshmen and upperclass transfers have looked promising enough in early contact work to warrant consideration for a first team job.

**Monahan Works At Quarter**  
Two guards from southern Illinois.

**Announces Candidacy**  
The Blue lost Ralph Ambler, a letter winning senior half back from Newman, when he withdrew from the squad. Bill Rotz, 1947 letter man from Decatur who wasn't in school last year, has returned to strengthen the tackles.

Millikin opens its season Friday night, Sept. 23, at Jacksonville against Illinois college in a Little Nine contest.

By Bob Merris

J. J. DeLaPaz, scabbard from Chicago, has tossed his helmet in the ring for the starting left-halfback post on Al Miller's Blueboy eleven. The spot was vacated by Art Wilson because of inelegibility.

DeLaPaz has been showing up well in practice despite numerous recurrences of an ankle injury suffered last spring. Chances are he'll be in there running when the Hilltoppers go against Millikin this Friday night.

XXXXVI

APRIL arrived too soon. Gaynel was on her way to meet Barry on Washington Boulevard to choose her wedding ring. She was reminded of another spring, a year ago, when going to meet Barry, she had met Fritz instead.

Of course that was no reason why she suddenly decided, consulting her wrist watch and seeing she had a good half hour to spare, that she would spend it in the lounge.

Armand, greeting her with his Cossack's bow, escorted her to his table. He received her order with his most pompous dignity.

There was no doubt that Gaynel, in her new spring suit, was by far the prettiest girl in the place.

There was no doubt that the young man, big and square and blond, who suddenly seemed to appear from nowhere to loom beside her table, had every intention of joining her.

He said, "Sorry to have kept you waiting this long, Madame. I see you picked the same spot. And are looking more gorgeous than ever." He slid into the opposite chair, before Gaynel could manage a single syllable, had she been able, which she was not. He turned to Armand, who was now at his elbow, with his elegant bow. "Whiskey and soda, my good man," Fritz said.

Gaynel knew she should have called for help, or done something desperate. But she did not want to risk a scene. Her heart beat hard; she could feel the color rising in her cheeks.

"Don't get ruffled—please!" Fritz gave her his most persuasive grin. His eyes were blue as ever.

ARMAND set the whiskey and soda on the table; went through the ceremony of fixing them; and took himself off with an elaborate bow.

"I am a lug. A selfish, stubborn fool. I don't deserve even to have you so much as look at me. I've been out of town. Just got back last night," Fritz began.

"That does not interest me in the least," Gaynel said. It might have been better not to have said that much. But if she kept on saying nothing he would never stop talking.

"I'm sure it doesn't. But I am interested in what you have been doing, intend to do. So interested, Madame, that I did not catch one wink, after I got back last night. Today I caught a glimpse of you, and followed you here . . ."

"I told you," Gaynel looked at him steadily, directly—if only for one brief heart-beat—"that I am not interested."

"I know." He wagged his head. "You aren't interested. But you should be. Look here, I've admitted I was in the wrong. I'll get down on my knees—right here—if you want me to." He actually got to his feet, as though to carry out this threat. It was Gaynel's hand that made him sit down this time.

"You surprise me," Gaynel said. "I supposed Bessie was the reprobate for your affections now. She could not resist getting; that in." "I like Bessie," Fritz said. "But I never told her, on any occasion, that I loved her. We're just pals. What I want to discuss is why you are going to marry Barry."

"Because I am very fond of him," Gaynel said, almost too quickly. "Isn't that reason enough?"

"Being fond of a guy isn't enough, if I may tender my advice," Gaynel drew herself up; she consulted her diamond-and-sapphire-set wrist watch. "I have an appointment. In order to keep it, I shall have to go now."

Fritz said, "I shan't detain you."

# Important Lecturers, Musicians To Appear On MacMurray Series

Talented musicians and lecturers of distinction will be brought to Jacksonville this season to appear on the MacMurray College Concert-Lecture series.

The co-chairmen of the series, Joseph C. Cleeland for the concerts and McKendree M. Blair for the lectures, announced Saturday that the program for the 1949-1950 season had been completed.

Lecturers to come here include Bruce Marshall, Scot novelist; Walter White, American negro who has worked long for the advancement of his race; Ananias, Baffin Island Eskimo, and Bertha Spafford Vester, long-time educator in Jerusalem.

The complete program follows: Oct. 19—Bruce Marshall, author of "Father Malachuk's Miracle." His subject will be "New Wine in Old Bottles."

Nov. 1—Ernest Wolff, tenor and leader singer. He will give a recital honoring Goshie. This year marks the 20th anniversary of the birth of the great German poet.

Nov. 30—Walter White, executive secretary of the National Association for the Advancement of Colored People. His subject will be "Lincoln's Unfinished Business."

## Charlotte Epler Dies In California Saturday At 88

Mrs. Charlotte Epler, 1001 Buena Vista street, South Pasadena, Calif., passed away Saturday at 2 p.m. in the Huntington hospital, where she was taken Friday afternoon following a fall in her home. She was 88 years of age.

Born Aug. 17, 1861, in Jacksonville, Mrs. Epler was the daughter of the late William C. and Mary Ann Walsh Cleary. She was the last survivor of her family.

She was preceded in death by the following brothers and sisters: Mary Alice, Frank, Maurice, Katherine, and William Marcus Cleary, all of Jacksonville; and Mrs. Elizabeth Telford of Hanford, Calif.

Her husband, Edward Everett Epler, and one son, Myron Cleary Epler, both of Hanford, also preceded her in death.

Surviving are her daughter, Mrs. Charlotte Armenta Wells, of Pasadena; one son, Frank Epler of this city; four grandchildren, William and Robert Epler, Mrs. Charlotte Ray and Grace Wells, all of Pasadena; and two nieces, Mrs. Lillian Cleary Strawn and Ann Cleary Trafford, both of Jacksonville.

Mrs. Epler, a graduate of the Jacksonville Female academy, studied art in Los Angeles. Her marriage took place in September, 1888, or the old Cleary homestead. She was a member of St. James Episcopal church at South Pasadena.

Frank Epler left by plane for California Saturday evening. Funeral services will be held probably Tuesday, with burial in the family lot in Hanford.

PHONE NO. 40 IS USED ONLY FOR FIRE ALARMS

Chief Charles Lomergan of the Jacksonville fire department said Saturday that much inconvenience is caused by citizens who call the department over Phone 40 to transact business with members of the department.

Phone 40 is reserved exclusively for fire calls. Personal business is conducted over Phone 32.

During past years operators at the Illinois Telephone company have assisted firemen when fire calls were put through. When a citizen called Phone 40 the operator would ask if it was a fire call. If not it was transferred to Phone 32.

This custom was abandoned several weeks ago. Since that time many business calls have gone in over Phone 40, causing firemen considerable inconvenience.

## WOMAN'S FEDERATION WILL MEET OCT. 11

The Morgan county Federation of Women's clubs meeting scheduled for Oct. 13 at 2 p.m. in the Northminster church social rooms has been advanced two days to Oct. 11, Mrs. E. H. Sheppard, county president, announced Saturday.

The change in date was made to accommodate the regional conference federation work to be held in Springfield, Oct. 13.

All county club presidents are asked to announce the change to their club members. A complete program will be published later.

## GIRL SCOUT LEADERS TO CONVEY TUESDAY

A round table meeting for experienced Girl Scout leaders will be conducted at the Girl Scout office Tuesday at 7:30 p.m., at which time the leaders will receive their work kits.

Discussions will be held on the leaders club, meetings, training, skills and crafts.

Girl Scouts are members of the Community chest.

## FIRST CLASSES MONDAY AT NEW DISTRICT NO. 2 SCHOOL

The splendid new school building erected by Consolidated District No. 2, located in South Jacksonville, will go into use Monday morning when the first students enroll at 9 a.m., J. Merle Wade, the superintendent, announced Saturday.

All children in rural areas are to furnish their transportation to the school Monday morning. Buses will take the children home in the afternoon and begin regular schedules on Tuesday morning.

Superintendent Wade said that all first grade students will be required to furnish birth certificates before being enrolled Monday morning.

The dining room will not be open until further notice so children are requested to bring their own lunches.

## Dorothy E. Baker, Greenfield, Weds Palmyra Resident

Greenfield—Miss Dorothy Elizabeth Baker, daughter of Mr. and Mrs. Roy Baker of Greenfield, and Donald Johnson, son of Mr. and Mrs. Mark Johnson of Palmyra, were married Sept. 10 at the local Baptist church by Rev. Ron P. Hawkins.

They were attended by Miss Katherine Baker and Floyd Scharfenberg of Bloomington, sister and uncle of the bride.

The bride was attired in a street length dress of powder blue crepe, with which she wore black accessories and a corsage of pink roses. Miss Baker wore a forest green street length dress with matching accessories and her corsage was of white gladioli.

The bride is a graduate of the local high school and has been employed in Koster's market. The groom attended the Roxana schools and served three years in the U. S. Navy in World War II. He is employed in the steel mills in Alton and after a brief honeymoon they will reside in Palmyra.

## Models Give Fashion Show For Sangamon Polio Victim

Springfield, Ill., Sept. 17 — (AP) — Calvin accompanied them. After they had paraded before his bewildered wife, he asked her: "Which dress do you like?"

"I like the black one," she answered, pointing to the one he had chosen.

"It's yours," her husband told her. "Happy Birthday."

"I can't wait till I'm able to wear it," the happy patient said.

It was late afternoon and she had received no flowers, trinkets or even a visit.

Meanwhile, her husband, a photographer for the Illinois State Journal, was busy covering a fashion show.

As he focused on the girls coming down the runway, he studied each dress they wore. None of them more pictures. There a black dress caught his eye.

"I like that number," he told Arabelle Plately, who had charge of the show. "I'd like to buy it for my wife. But she's in the hospital. I wish she could see it first."

"Why not send it over?" Miss Plately suggested. She called three models, who agreed to stage an impromptu show at the hospital with the black dress and some others.

## NORTHMINSTER CLASS MEETS; 23 ATTEND

The Gleaner class of Northminster church met at the church Thursday, with 23 members and guests present. Mrs. Walter DeSjara, president, presided.

Mrs. Frank C. Janssen led in prayer and presented a short talk on the youth of the church helping the pastor with the evening services.

A white elephant sale was conducted, after which refreshments were served by Elsie Biezer, Bessie Fernandes and Rose Aguar.

# 225 Enroll At Illinois School For The Blind; Tell Faculty Changes

The Illinois School for the Blind opened Sept. 6, with an enrollment of 225 pupils. Several changes have been made on the faculty.

George W. Gerlach, who taught piano and organ at the school for 45 years has retired. Including the time that Mr. Gerlach spent as a student, he was identified with the school for over half the period of its existence. Mr. Gerlach purchased a home in La Grange, where he will live with his sister.

Mr. Gerlach was succeeded by Edward Jacobs, Jr., of Washburn, Mr. Jacobs received the degree of Bachelor of Music from Wesleyan University and his Masters Degree from the American Conservatory of Music in Chicago.

He has had two years of experience at the Perkins Institution and the Massachusetts School for the Blind in Watertown, Mass., and two years at the Maryland School for the Blind in Overlea, Md.

Miss Elizabeth Brooks, who for 23 years was principal of the Illinois School for the Blind, and for the past two years a teacher in the school, has also retired. Miss Brooks will continue to make her home in Jacksonville.

Miss Emma Bergschneider, teacher in the home economics department for the past seven years, resigned to take a position as home economics teacher in the Sacred Heart Academy in Springfield. Miss Bergschneider's place has been taken by Miss Georgia Ludeman of Mason City, Ia. Miss Ludeman received her degree of Bachelor of Science from Iowa State College in Ames, Ia., and has done graduate work at the University of Iowa.

New Primary Teacher Mrs. Marjorie Watson who for the past year has been teacher in the primary department, submitted her resignation during the summer. Mrs. Janie Wegeholt, formerly teacher in the high school department, will take Mrs. Watson's place. Mrs. Wegeholt received her kindergarten training at MacMurray college.

Miss Wanda Gorczycki of Milwaukee, Wis., a graduate of Marquette University, will teach Latin and French. Miss Gorczycki has two years of successful teaching experience at Beaver Dam, Wis.

Dale Holmes of Quincy, who received his Masters degree this summer from Western State Teachers college, has been engaged as teacher of woodwork and manual training. During World War II Mr. Holmes served in the infantry in the U. S. Army from 1942 to 1946.

John Busacca, former high school teacher in the Jacksonville school for the visually handicapped for the position of cottage supervisor. Local Woman Resigns

Mrs. Theodora Phillips, Jacksonville, who has been employed at the Illinois School for the Blind since 1911, the first two years as a braille librarian and then as teacher in the elementary department, submitted her resignation in the summer. Mrs. Phillips was a graduate of the Illinois School for the Blind and of Chicago University.

Mrs. Phillips' place has been taken by Miss Sarah Elizabeth Lomergan of Jacksonville, a graduate of MacMurray College. Miss Lomergan had a years successful teaching experience in the Macdona high school.

Work on the new auditorium is progressing satisfactorily. The general contractor is the J. L. Simmons Company, which expects to have the structure housed in by cold weather and to have the building completed by the time of the next commencement exercises, with the exception of the installation of the organ.

The school organ, which was purchased 30 years ago, has been dismantled and stored. When the auditorium is completed, the organ will be completely rebuilt by the Kilgen Organ company of St. Louis.

Several of the cottages have been completely redecorated on the interior and much repair and maintenance work has been accomplished during the summer.
